

## #04 MY PHONE

The apps on your phone are a window to your soul. What can you discover about yourself?

Write down every app on your phone and then categorize and draw your apps following the instructions below.

1. Each app is represented by a circular SYMBOL

Apps are ordered on the grid from least to most used  $\longrightarrow$

2. COLOR = the app's genre

photo and video

Social media

3. SHAPE = how often you've used the app

4. CIRCLE the apps that you would be embarrassed to tell others about.

5. Add DETAILS of your most and least favorite apps in the margins!
